KBOO Board Candidate Self-Assessment

Individual KBOO Board Members, have a fiduciary, legal and ethical responsibility to act in a way that ensures that KBOO operates in the best interests of the KBOO Foundation. This requires that each member act in good faith and exercise reasonable care in carrying out his or her legal, ethical, and fiduciary duties. Becoming a board candidate requires thoughtful reflection as to your ability to contribute to the Board. This tool can assist you in self-assessing your ability to serve as a member of the KBOO Board.

For this exercise there are no right or wrong answers. It is designed to help you self-reflect on the characteristics of an effective KBOO Board Member. Answers mostly towards the “Weaker” side of the scale might indicate that rather than joining the KBOO Board, you might consider volunteering in another capacity within KBOO and work on strengthening your ability, knowledge, skills, and/or attitude in order to serve on the board in the future. If your answers are towards the “Stronger” side of the scale you may want to consider developing and submitting a Statement of Interest to the Nominating Committee by the Deadline provided in the call for candidates.
